SAPULPA HIGH SCHOOL HYMN

Myrtle MacKay

Jean Casteel

Guiding light and leading star

Watching inspiring where e'er we are;

E'en tho' we sing thy praise to the sky

We can never repay you Sapulpa High.

To thy name our hearts respond

And leap to remembrance of comrades fond;

All this and more you mean to us, why?

Because we love you Sapulpa High.

MARCHING BAND

The Sapulpa High School Band under the direction of George C. Brite is composed of 80 members from grades 9 to 12. Regular rehearsals are held each morning at 8:00 a. m. in addition to regular section rehearsals each week. Marching, parades, and football games occupy much of the band's time during the first part of the school year. The band played at all the home games and made 4 trips with the team.

The band was awarded first place in the class "A" bands at the Bi-State Marching Contest held in Ft. Smith, Arkansas. In addition to the marching contest, the band attended the Tulsa University Band Day and one of the A. & M. football games in Stillwater.

Students selected for the All-State Band were Roger Grove and Robert Brady. Mary Sue Smeltzer and Eugene VanGilder was picked to play in the All-State Freshman Band. The band sponsored the Tulsa University Band in a benefit concert during March. The annual spring concert represented the musical high light of the year climaxing weeks of hard work and practice. This year the band had 13 four year lettermen.

The Future Business Leaders of America is an organization for Commerce students. It was formed to develop competent, aggressive business leadership; to create more interest and understanding in the intelligent choice of business occupations; to participate in worthy undertakings for the improvement of business and citizenship and to foster patriotism.

Every year the F. B. L. A. sponsors a contest for the "Ideal Secretary." Teddy Ruth Burgess won the honor this year by compiling the highest number of points in the typing, shorthand, personality, and general business tests.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is the national organization of students studying homemaking in junior and senior high school. It is non-profit, non-competitive, and is sponsored by teachers of homemaking and operated by the girls themselves. Any student enrolled in homemaking or who has taken one year of homemaking may be a member.

The Sapulpa Chapter is composed of fifty active members.

The Future Homemakers Club serves as a motivating force for the homemaking programs in each community. It increases the appreciation for homemaking, gives an opportunity to develop leadership, and

helps to create co-operation in the home, school, and community life.

The fundamentals of the club are: (1) to promote appreciation of joys and satisfaction of home making, (2) to emphasize the importance of worthy home membership, (3) to encourage democracy in the home and community life, (4) to work for the good home and family life for all, (5) to promote international goodwill, (6) to foster the development of creative leadership in home and community life, (7) to provide wholesome individual and group recreation, and (8) to further interest in home economics.

TRI-HI-Y

This year the Tri-Hi-Y Club, a Christian organization, with its membership of 86, has been one of the most active clubs in Sapulpa High School. Under the sponsorship of Mrs. Byrda Kuykendall, Mrs. Ella Van Mantooth, and Mrs. Lavena Graham, they have held bi-monthly meetings at the Y.W.C.A. and high school. Our meetings consisted of scheduled programs with guest speakers, films, and teen talk.

Tri-Hi-Y projects for this year included a World Service Pledge which went into a nation-wide Hi-Y campaign to help people in other nations, gave gifts to the Old Peoples Home at Christmas time, and we adopted children at the Whitaker State

Home at Pryor. We gave gifts to these children at Christmas and on their birthdays.

The social calendar of the club consisted of a coke party, color dance, and Spring formal where the Tri-Hi-Y Dreamboat was crowned and the officers for '56-'57 were announced.

Sapulpa's Tri-Hi-Y was represented at the 5th Hi-Y Youth Legislature in Oklahoma City and at the State Hi-Y, Tri-Hi-Y Convention held in Enid. The Tri-Hi-Y received the AA Honor Club Certificate, which is the highest honor that can be given to a club, at the State Convention.

PEP CLUB

The 1955-56 Sapulpa Chieftains Pep Club is composed of girls from the Freshman through the Senior class. The main purpose of the club is to arouse school spirit in all athletic events.

During football season, the Pep Club marches in all the home parades, and decorates the goal posts for home games. A special section is reserved in the bleachers for the Pep Club when the games are played in Sapulpa. Also the club gives its support to the basketball team.

Each year the club chooses six cheer leaders, to lead the club in its yells. They may be chosen from the Junior or Senior classes and will be a cheer leader for one year. The election of new cheer leaders is held at the close of every year, so they may practice during the summer and be ready to start leading at the first game of the next season.

YOUTH BOARD

The Youth Board is the governing body for the Youth Center. It serves as a clearing house for all activities at the Center and elects the sponsors.

The Youth Center provides much in the way of entertainment for the students of Sapulpa High and we are very proud of it, as it is one of the few in Oklahoma. This year the center was completely re-

decorated and the bleachers were removed to provide more space. A complete Hi-Fidelity sound system was installed. Tables and chairs were acquired.

Certainly one of the outstanding social events of the year was the annual Christmas Dance. The highlight of the evening was the crowning of Miss Rosalie Lazier as Youth Board Queen by her escort, Robert Durden.

Eighty

The Student Council is an important organization in the handling of student-community and student-faculty relations.

The council this year consisted of twenty-nine members from which six officers were elected. In an all-school election each spring the students elect the president and vice-president of the student council for the following year. At the beginning of the school year, each home room elects a representative to the council which gives all classes an equal representation in this body.

During the summer several members attended the national Student Council Work-shop which was held at the Tulsa University's campus. There, the members attended classes and enjoyed recreational facilities.

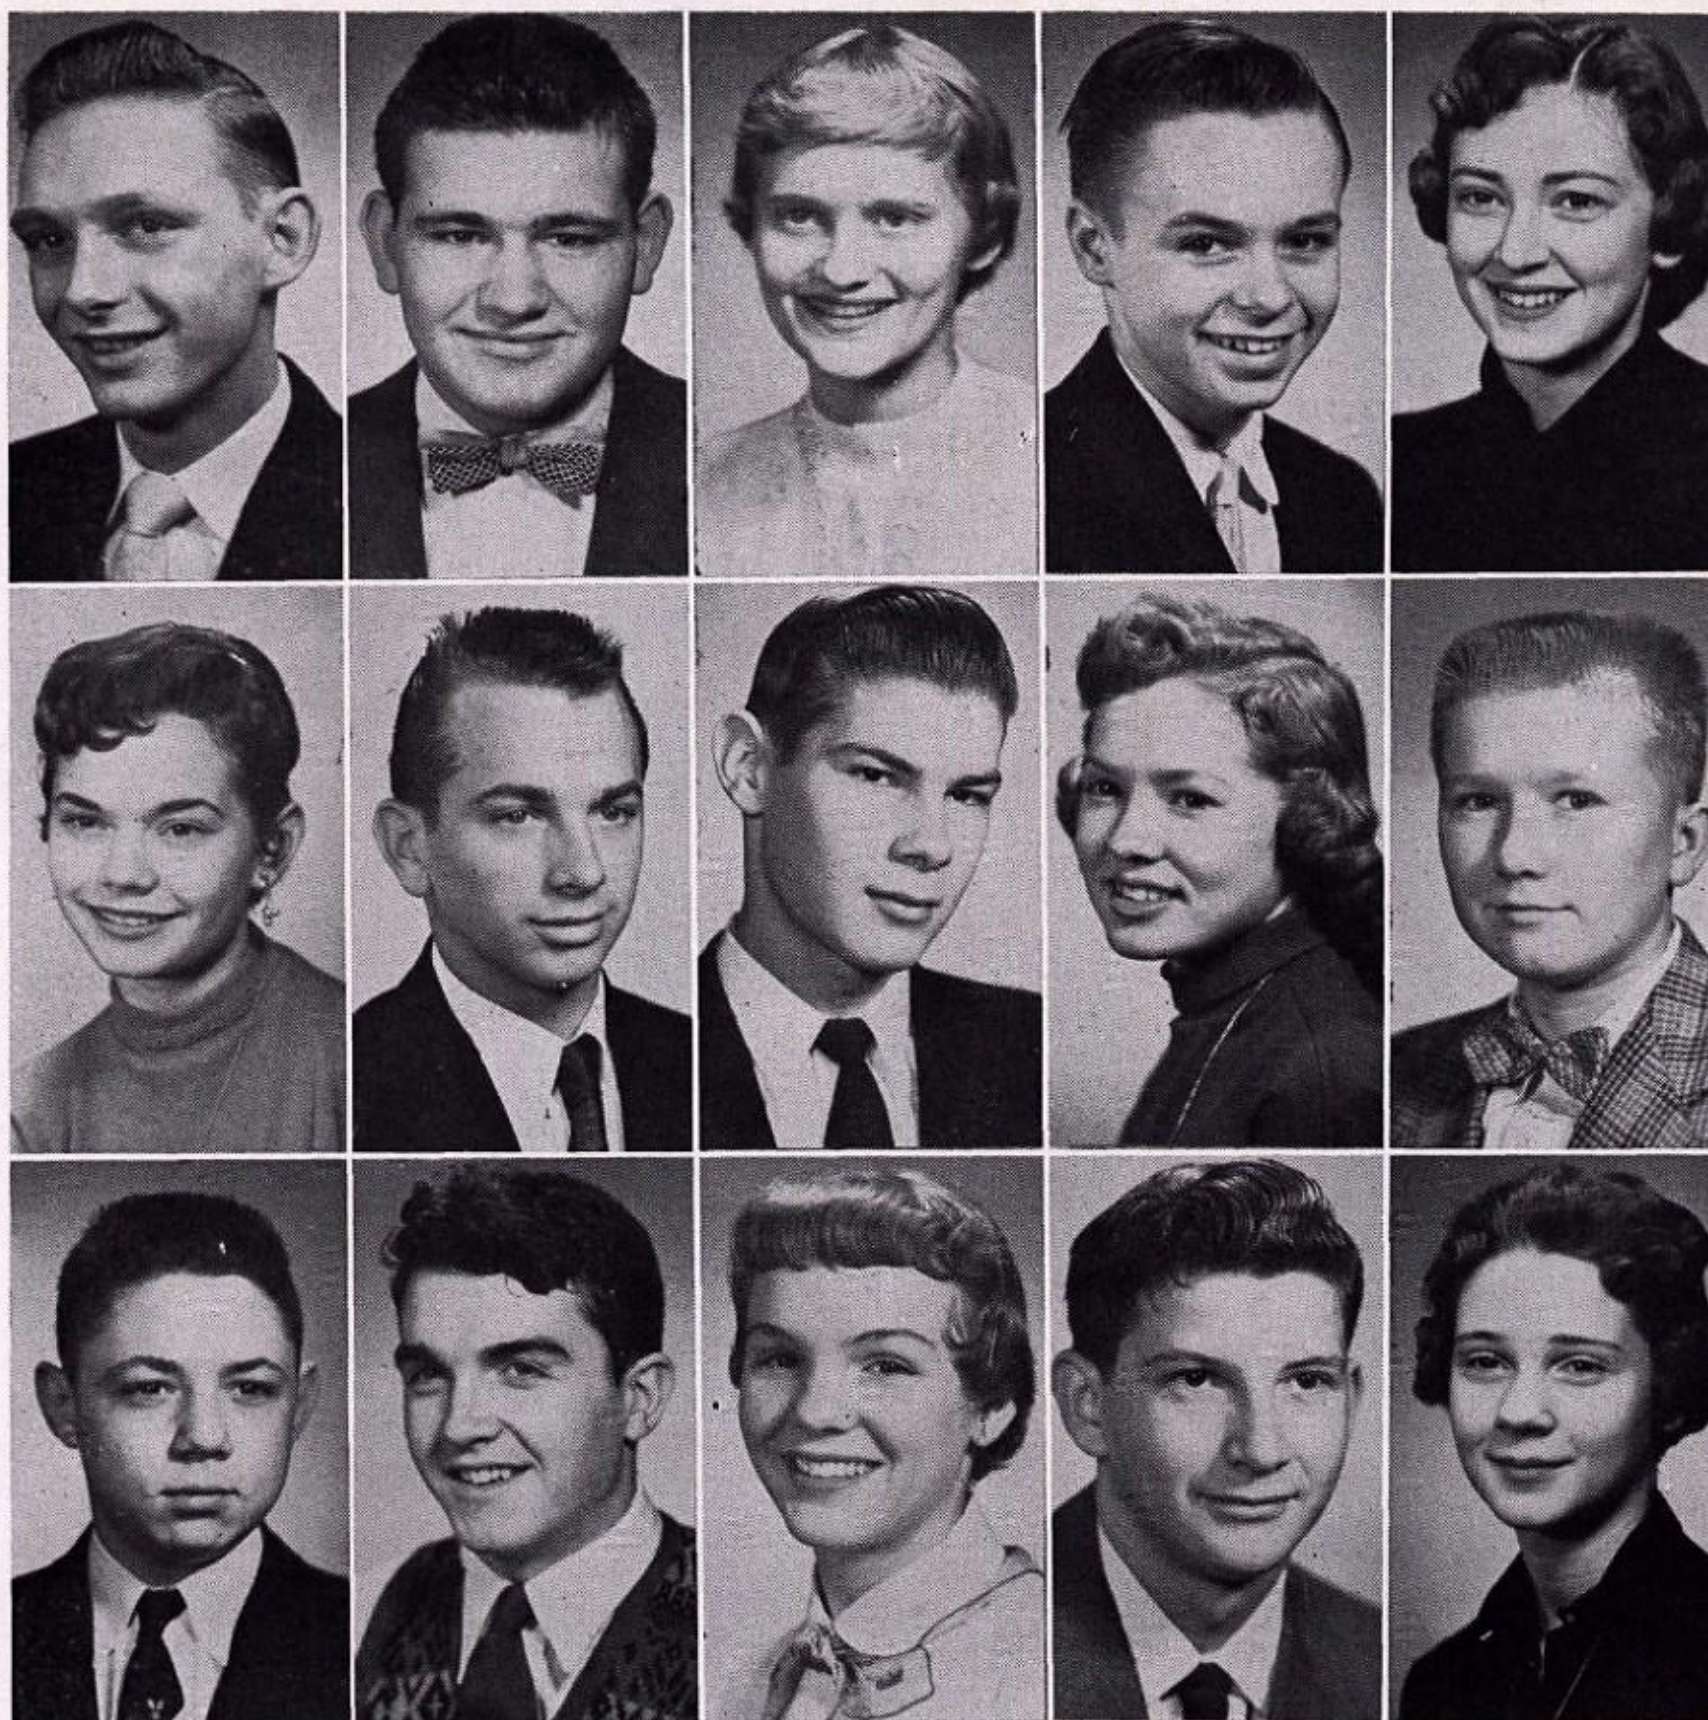

The council makes arrangements for many of the school events. This year it planned the homecoming parade, the coronation of the queen, the special assembly and the always popular "Now or Never Week". To make a girl's dream week complete, a "Sadie Hawkin's Nightclub Dance" was held at the Youth Center. Other activities sponsored by the Student Council included the Student-Faculty Basketball Game, President's Banquet, Community Chest Drive, and Student Directories.

The main project of the Student Council was to set up an "Activities Recommendation" which would improve and better our school's organizations and activities. Through the home rooms and their representatives, recommendations were made and put into effect.

Five delegates attended the state convention at Ponca City and then reported to the local council about their trip.

With the help of our two wonderful sponsors, Miss Mildred Fisher and Mr. B. Bomgardner, the Student Council had another successful year.

BETA CLUB

The National Beta Club observed its twenty-third Anniversary this year. The first club was organized in 1933 at Waford College, Spartanbury, South Carolina. Since that time the clubs have spread throughout sixteen states with 60,000 members. Its purpose is the promotion of honesty, service and leadership.

Our Sapulpa High School chapter was organized in 1948 by Mrs. Rhea Oakes and had 23 members. This year the club has 25 new members under the sponsorship of Miss Argus Dickerson and Mr. Ben Nelson.

To be eligible for membership you must have a "B" average and be outstanding in character and achievements in school work and school activities. Each senior member receives the Beta Club Seal on his diploma. The 1956 State Convention was held in Tulsa, Oklahoma. The Sapulpa Chapter participated in the morning discussions.

In the short history of the Sapulpa Beta Club we have had two state presidents, John Prince in 1951 and Wesley Whittlesey in 1952.

FOOTBALL

The Chieftains had a very prosperous season in the year of 1955. They were fortunate enough to share the Championship title with Will Rogers. The team as a whole, rather than just a few, fought for their winning victory. By playing good, clean, hard football, they have kept up their fine reputation which they have held for

several years. The following is a resume of the games played by the Sapulpa Chieftains.

CLASS PROPHECY

Into my crystal ball I gaze, with a clear and fearless eye,
Peering closely through the haze, I see the "Future" nigh!
One by one you pass, each in his different sphere,
Oh, members of my class, would you like to hear?
Breath a sigh,
Then join your hands and sit quite still—do not say a word;
We'll journey into mystic lands, as the present passes by
She comes! She comes! The Future comes! I see her clearly now.
Arise, my friends, and greet her; before her presence bow.
"Kind one, we come before you, and beg you to relate,
What have you in store for us; what is to be our fate?"
"Members of the Senior Class, year 1956,
This is what old Zeta told me, was shining off Sate-lite Six."
On a New York City street, stands Donna Baker,
Campaigning for an office in the American Federation of Labor.
On the street corner Orval Young is advertising Post Bran.
He says if you eat them, you will be a big man!
Farther up the street we spy leaning against a tree,
Mrs. Bobby Stewart, the former Sue Acree.
Next we peek into a cafe called "Carson's"
And who should be the proprietor—none other than Eddie Carson.
We see Betty Morris on a bench in the park
And sitting beside her is her fiancée, Wayne Hart.
Dick Young, our 1955-56 star football player,
Is now the prominent New York Mayor.
Lynne Grigsby is still making boys go into whirls
Though now she is among the best models of the world.
In a New York City high school, acting as dean
We find our own little Donald King.
An announcer on the radio is Kenneth Casey
Who advertises that wonderful program called Dick Tracy.
The football coach, Sue Lane,
Will be an important figure in the hall of fame.
Jay Romine is among the world's best boxers,
But he prefers the bobby-soxers.
Bill Giacomo is now a New York broker;
While Richard Beasley and Delious Parker are boxers.
Sue Ann Burris, who is sweet and five-feet-seven,
Still likes to spend her evening out dancing until eleven.
In the park on Fifth Avenue
Is Carolyn Pinkston and her five tots, too.
Glancing here and there into each big cage, as they pass by
They stop to watch the trainer of the gorillas, La Don Guy.
Boyd Acree, that big wrestling man,
Has recently joined a big bop band.
Among the best dog catchers of any state
Ranks Ronald Beaty, in form and in weight.

As janitor in a New Jersey high school
We spy that handsome Bobby Joe Charles playing pool.
While there, we look into the home of Robert Brady
Who is giving his two sons a lesson on how to catch a lady.
Greta Gish is serving the punch,
While David Martin is being a dunce.
In John Hopkins, among its able staff,
Are Doctors Nancy Deselem and Carleta Carter, who cure people that continually laugh.
The smiling faces of the nurses there
Belong to Barbara Horn, Mary Ann Smith, and Ann Adams, all so fair.
In the radio station we see Patsy Hill
Singing the commercial for Carter's Little Liver Pills.
Mr. and Mrs. Mayfield Bingham are now living in Washington;
She is the former, Marnella Wilkerson.
A detective story has been written by Lyle Miller;
It is now the world's best seller.
Mr. Curtis Robinson who is still very big,
Is throwing another of his famous shin-digs.
Who's that we see leading the band?
No! It can't be! Ceasar Sam.
There is another one of our boys, adding to this troupe.
Who is it? Why, of course, it's Jimmie Stroup.
Sitting at that famous table for two
Is Winifred Young singing the Blues.
In that wonderful city of Baltimore
We find Barbara Hargrove, the manager of a great drug store.
That cute little number, Rosalie Lazier,
Still quite a gal now samples Three Muskateers.
We see Phil Henson as an electrician,
While wife Nell Anthis, is an obstetrician.
You had better watch out and don't speed,
Or you will get picked up by that handsome cop, George Reed.
In Anthony's we see a dame—
She's that cute little trick, Rosa Payne.
That lovely couple, Don Fleming and Barbara Patrick,
Are now the owners of a prosperous diaper factory.
Who is that we see running around Washington, D. C.?
It's prominent, Herman Ragland and John Lee
Telling the people that his product is sound
Is one of the 1955-56 football players, Jim Brown.
The little but mighty Kay Webb,
Is now trying to get on a program with Grandpa Zebb.
On one of the side streets, we find Ronnie Wilson with a brand new car.
Barbara McReynolds, Myrna Young, and Donna Winters,
Whose voices are as sharp as splinters,
Are in that well-known Sunshine Choir.
Their director is none other than Lonnie McGuire.
In Chicago we see Mr. and Mrs. Lester Snyder,
Who have been sent to Africa, to investigate some poison spiders.

Oh, look! A traffic cop has stopped someone for speeding—
 It's Sonya Yarger on skates; Little Orphan Annie she was reading.
 We see the secretaries, Jeannie Haskins, Patricia Cupps, and Donna Rae Buie, and who's boss?
 Why its none other than the ambitious Ronald Moss. With an apron on drying the dishes,
 Is Dan Whitehouse with the Missus.
 Here's something that everyone wants to see:
 It's a vaudeville act starring Richard Smith and Norma Reed.
 As we enter we see the producer Wesley Barnett, Pleading with engineer, Donald Smith to fix the set. In Hollywood we look into Ciro's
 There we see that handsome Dwayne Herndon and his Caballeros.
 We see a cigarette girl this time,
 And it's Don French who's feeding her a line.
 We now peek in at a hot spot,
 Where we find Jimmy Whittenton really doing the bop.
 Ronnie Pinkston—oh, that boy!—is dashing madly down the way,
 He took Humphrey Bogart's job, just the other day. Who is that trying to get into the All-Girl Chorus? We should have known—it's Billy Claude Morris. In M-G-M's studio we find Roger Grove;
 He has just taken over Jimmy Dorsey's band, by jove. Kay Pulliam is a great actress on the stage,
 But if things don't go to suit her, she flies into a rage. Gary Keck and Glenn Miller are always trying to get into the act.
 But Ronnie Gibson takes over as he knows all parts exact.
 In our own town of Sapulpa we find Darrell Walker who is no longer a soda jerk;
 He has a family to support and really has to work. Carolyn Briggs and Deanna Deason sit and look at the moon
 As Joe Ferguson and John Donovan croon them a tune.
 Mary Sue DeBrosse and Verna Blankenship are now school teachers,
 While Raymond Burns and Gary Mozarko are both lively preachers.
 Jesse Oden and Tommy Smith were co-owners of a printing shop.
 Their helper, Bill Parnell, has helped business reach the top.
 We see a group on a weiner roast having lots of fun, Among them Virginia Bedford, Bill Berryman, Ronnie Bowling, Katherine Coonce, Floyd Burris, and Mary Davidson.
 Jean Tanner, Robert Wilson, and Doris Scott, Are making sure their weiners are good and hot.
 At last we have found out who is that well-known Kilroy;
 It is James Adelblue—he's really smart, that boy. Among Sapulpa's happily married are Teddy Ruth Burgess and Jeannie Wright,
 Who are still very happy and still quite bright. One of the great manufacturers of Crisco
 Is none other than our own Pat Bristow.

James Lee, printer of Life Magazine,
 Has recently switched to the manufacture of Listerine. Jerry Tifft, now manager of the State,
 Once was projectionist, as we relate.
 Next to it is a dry goods store,
 Where Jerry Loney has made his fortune soar.
 Across the street Nolan Martin owns a hamburger stand,
 Where all may eat as much as they can.
 Pete Anglin makes his fortune at an automobile plant
 So we are told by his dear little aunt.
 In the furniture business is Joe LeFavor.
 To look at his products will make your wife have better behavior.
 One of his employees, Carl Stoneking,
 Just went into the jewelers to buy an engagement ring. As we gaze farther into our crystal ball we see a farm,
 And we see Troy Vandecar, and Vernon Wickham out in the barn.
 Working in the dairy compartment, who do we see? Why, it's Mary Louise Allen, who sells milk by the gallon.
 Out in the orchard we see Delmar Simmons
 Up in a tree picking some lemons.
 While an old farm girl Sarah Powell eloped with a taylor, and
 Eloise Selby married a sailor,
 And then the next day he was shipped from the port. The cook on the ship was none other than Freida Short.
 The captain of the ship was Tom Sewell,
 Who was known as a real cool jewel.
 On board the ship was Betty Newman,
 Going to China with Max Slaton, the crewman.
 Back at the beacon sitting on some stools,
 We find J. O. Lytle, Fred Mauch, Tommie Barnhart, and John Adams, who are really cool.
 We see driving up in a car with its horn tootin', Those Crazy cats, Joan Cupps and Charles Bruton. On a street corner stands William Bolin, Charles Moore and Bob Phipps,
 Who are temptin' girls with their big juicy lips. In a drug store just around the corner is Janet Jones, Really putting on a show by rattling bones.
 Enjoying the act and sipping soda's is Nelta Robinson, Bobby Thompson, Bill Wilson and Beverly Marshall,
 Who, when it came to soda's never were very partial While still in this store we see a group who sing,
 And who is among them? Why its Jerre Casto, Kay Carter, Richard Carpenter, and Jerry King.
 Adding to this crazy source,
 We find that gal named Linda Morris.
 As our time passes on we find Jane Housner and Tedde Palinskee who say they can't stay long.
 At last, we see Stewart McMinimy and Robert Durden painting the names of Georganne Canterbury and Peggy Langston on the door of a building.
 And the time keeps going by so no longer must we tarry.
 Our crystal ball is fading fast,
 And our gaze into the future has passed.
 We leave you with the memories of "1956,"
 And even though we hate to leave we'll always remember the kicks, and tricks.

ACKNOWLEDGMENT

"Self-Made Men" are indeed rare. Rarer still, "Self-Made Books." Realizing this, the Staff of 1956 wishes to express its sincerest thanks to the members of the student body who have added the Y that makes OUR book YOUR book.

To Mr. Gordon C. Davis, our yearbook sponsor, and Mrs. McAllister, Mrs. Crosslin, Miss Fisher, and Mr. Bonham, our senior sponsors, goes our deepest appreciation for their valuable help. We also wish to thank Mr. Ken Ehert, who did such a fine job as our photographer, and those business men of Sapulpa, who by their contributions to the High School of Today have brought nearer the High School of Tomorrow.
